

Mexico Mission 2017
Sleepy Hollow Presbyterian Church

I am proud to be a part of the Sleepy Hollow Presbyterian Church's NINETENTH Mexico Mission!

During this weeklong work project, our mission team is given full responsibility for building a home for an underprivileged family in the Tijuana/Tecate area of Mexico. This endeavor creates opportunities for cross-cultural understanding and it helps create consciousness of the conditions of poverty through immersion.

Building this home with only our hands and simple hand tools we will lay the concrete, build the walls, raise the roof, and apply the stucco. As the home takes shape, *hope will also take shape in our hearts* as we realize we CAN make a difference in a world with many problems. This Mexico Mission is a life changing experience not only in the living standards of our family in Mexico but also in the spiritual, living, and emotional life of the youth and adults from our community that participate.

I hope you'll make a financial contribution to this inspirational endeavor. Your generosity will go toward building supplies; cement, wire, wood, roofing materials, hammers, nails, shovels, wheelbarrows, and more. In addition, your contributions will also help pay for our food, water, travel, office, and planning expenses.

If you can help, please send a check, in any amount, made payable to Sleepy Hollow Presbyterian Church (MM on memo line). A pre-addressed envelope is enclosed for your use.

Thank you for your love, prayers, and financial support!
